

**Remarks**

*In the Claims:*

The Applicant notes with appreciation the Examiner's thorough examination of the present application as evidenced by the Office Action. As explained more fully below, the Applicant has amended independent Claim 1 to include the limitations set forth in Claim 22.

Paragraph 32 of the Office Action states, in relevant part, that the limitation set forth in Claim 22 contains allowable subject matter. The Applicant has amended independent claim 1 to include the allowable subject matter previously set forth in Claim 22. Accordingly, the Applicant believes that independent Claim 1 is allowable and the claims that depend from independent Claim 1 are allowable as they depend from an allowable independent claim.

*Conclusion:*

In view of the amendments and the remarks presented above, the Applicant respectfully submits that all of the claims are in condition for allowance. The Applicant respectfully requests that a Notice of Allowance be issued in due course. The Examiner is encouraged to contact the Applicant's undersigned attorney in order to resolve any remaining issues in order to expedite the examination of the present application.

It is not believed that extensions of time or fees for net addition of claims are required, beyond the request for a thirty-day extension that accompanies this paper.
